

STEP 1

Click on the Test/Quiz

The screenshot shows a course interface. On the left, a sidebar lists course weeks: 'Week 2 - Research Project Outline', 'Week 3 - Research Project Draft', and 'Week 4 - Final Research Project'. A central panel displays a quiz titled 'Introduction to Web Design and Development Quiz - Requires Respondus LockDown Browser + Webcam', which is highlighted with a red box. To the right, the 'Activity Content' section shows the quiz title, a description, evaluation criteria (24 points), and attempt details.

STEP 2

Click on Start Quiz

The screenshot shows the quiz interface. At the top, a description states: 'On this quiz, you will answer 12 multiple-choice questions that come from your weekly reading that accompanies the reading.' Below this, the 'Evaluation Criteria' section shows 'Out of: 24 points'. The 'Attempt Details' section shows 'Allowed attempts: 1' and 'Time limit: No time limit'. A 'My Work' section is visible, and at the bottom, there is a 'Start Quiz' button.

STEP 3

Click on Download and install the latest version of LockDown Browser

Time Limit
Unlimited 

Attempts
Allowed - 1, Completed - 0

Instructions

Before you submit the quiz, you will have the opportunity to return to questions that you may have
You can submit your quiz responses at any time.

Click "Start Quiz" to begin Attempt 1.
